To Whom it May Concern

This is to certify that BMW Industries Limited is pleased to tie-up with Budge Budge Institute of Technology (BBIT) based on the overall quality of the institute for last few years. The modus operandi of this **Tie-Up** is solely to recruit the students of MBA, B.Tech, & Diploma as per the requirements of BMW Industries Limited so that the company can hire the students through Off/On Campus Recruitment Drives.

The features covered in this **Tie-Up** are specified as below:

- The company reserves the right to cancel or postpone or prepone the empanelment with prior notice of the events.
- Maximum 5-10 students from either of the stipulated departments will be recruited as per the quality and the requirements.
- BMW Industries Limited would prefer to hire the students from BBIT based on the requirements of the company.

This **Tie-Up** is specified for the departments of Mechanical, Electrical, and Civil Engineering for a period of five years from the date of certification.
