

**Memorandum of Understanding (MoU) between
Budge Budge Institute Of Technology,
Nischintapur, Budge Budge, Kolkata - 700137
And
Sigma Search Lights Ltd., P-27, Sagar Manna Road, Kolkata - 700060,
West Bengal**

For Industry - Institute Collaboration

This Memorandum of Understanding (MOU) made on the 16th Day of January, Two Thousand and Nineteen at Kolkata between **Budge Budge Institute Of Technology (BBIT)**, Nischintapur, Budge Budge, Kolkata - 700137 (here in after referred to as **on the first part**).

AND

Sigma Search Lights Ltd.(SSLL), P-27, Sagar Manna Road, Kolkata - 700060, West Bengal (here in after referred to as **(SSLL)**), a participating industry **under Industry - Institute Interaction for Knowledge Incubation of the second part**.

Objective of the **Collaboration** is to

- Improve quality of Technical Education through Industry - Institute Interaction
- Prepare industry ready engineers through Systemic reforms and Boost effort
- Nurture new ideas in the field of energy efficiency
- Bring out the innovative ideas of the students and to convert them to useful product of sustainable use through Research & Development
- Set up Business Incubation Centre jointly at **BBIT**
- Training for Creating Marketing Skills amongst students.

Whereas to achieve the aforesaid objective, **BBIT** is willing to provide space and human resources to create an Incubation Centre at its Campus in Budge Budge, Kolkata

Whereas **SSLL**, agreeing to conduct training programs to convert students' innovative ideas to a marketable product for sustainable development and provide necessary support within its overall guidelines and as per the terms and conditions mentioned in this Memorandum;

Whereas the **BBIT** is willing to participate in the program and cooperate with **SSLL** within the overall guidelines and as per the terms and conditions mentioned in this Memorandum. The Institution recognize that **Industry - Institute collaboration** would be of mutual benefit and would provide strength in research and education and their mutual interest in engaging themselves into this collaboration with the **SSLL** and the **BBIT**.

It is now, therefore, agreed by and between the parties as follows:

Scope:

Three departments; namely Mechanical Engineering, Electronics & communication Engineering and Electrical Engineering department will be covered under the activities of this MOU in its first phase. Emphasis will be on Solar & Wind Energy, Gasification of Biomass, Fabrication techniques, Energy Efficient Lighting and Electrical/Electronic appliances / gadgets/ accessories for home/office/industry use.

1.01 Internship : Students will participate in summer internship activates in the Factory/ offices of **SSLL**. **SSLL** will provide Practical Training to the students of the above departments in the factory/office of the **SSLL** and thus build knowledge networking. The training will be for stipulated period which will be one month maximum at a time. **SSLL** will have no financial liability for this. Students will be provided leave and support for travel from **BBIT**.

1.02 Joint Research : The Institution will encourage its faculty and graduate students to participate in joint research programme with the **SSLL**. To take frontline research works jointly for sustainable energy development.

1.03 Consultancy : **SSLL** may seek assistance guidance of faculty members on consultancy mode on chargeable basis.

1.04 Training : **SSLL** may send its employee to undergo training on latest software & technologies at **BBIT** or organized by **BBIT**.

Term

2.01 This Memorandum will become effective on the date of its signing by both the parties and will continue for a period of three years

2.02 This Memorandum may be terminated by any party by giving 180 days written notice to coordinator/in-charge of **BBIT** and the other party.

Designation of Coordinators

3.01 Each party designates the officials to serve as Coordinators under this Memorandum. Individuals designated as Coordinators may be changed by either party by giving written notice to the other party.

General

4.01 The **SSLL** and the **BBIT** will work together to develop a viable and sustainable model for the financing of this collaboration.

In witness whereof the parties hereto have executed this Memorandum of Understanding on the date and year first mentioned above.
