## **CRITERION I – CURRICULAR ASPECTS**

## 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Budge Budge Institute of Technology (BBIT) has a transparent mechanism that ensures effective curriculum delivery through a well-planned and documented process. The college systematically designs and develops action plans for effective implementation of the curriculum. At the outset, the

Principal/Director of the college conducts meetings regularly with the Heads of Departments to develop various strategies for effective implementation of the curriculum. The academic calendar issued by the affiliating university forms the basis for designing the college semester plan. The college semester plan consists of commencement date and last working date, dates for conduction of

the internal assessment tests. Department wise calendar of events is prepared. Thereafter, the faculty members of various departments conduct their internal meetings and develop academic plans such as timetables, lesson plans, and course files for the coming academic year. Teachers are encouraged to plan in advance to impart the curriculum through innovative teaching methods such as presentations, assignments, discussions, workshops, seminars, industrial visits apart from regular lecture sessions and the same is taken for approval from their Head of the Department and the Principal/Director. Thereafter the lesson plans are prepared by the respective faculty in accordance with the curriculum. Lesson plans and subject course files are maintained by each faculty for their respective subjects allotted, which is reviewed on continuous basis by the review committee. The following criteria have been followed in effective implementation of the curriculum We have a predefined college calendar following the university dates regarding the schedule of the semester sample of the academic calendar copy will be available for inspection during peer committee visit. Lesson plan is made according to the college calendar for each semester. As part of our plan in implementing the curriculum, we have scheduled internal assessment tests minimum of three tests per semester for all the students. Apart from regular classes we have case study presentation, Guest Lecturers workshop hours to enhance the capability of students in presenting the topics related to the curriculum. Identification of above average students and motivating them towards excelling in their academic performance. Identification of academically weak students and conducting the remedial

classes so as to raise their academic performance. Organizing expert lecture series, workshops, and guest lecture to encourage industry academia interface among students and faculty members on a regular basis. Industrial visits are arranged for the students to be familiar with the industry process to study in the curriculum.

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The institute has taken efforts to improve the performance of students by

framing significant reforms in Continuous Internal evaluation at the institute level. The reforms are as follows. Remedial measures are taken by conducting tutorial classes to clarify doubts and re explaining the critical topics. Remedial Classes are conducted for the slow learners, absentees and the students who participate in Sports, NSS activities and Placement Interviews. This practice helps struggling learners to update their subject knowledge and helps them to catch up with their peers. Unit tests are conducted prior to sessional examinations. Topic wise question banks are provided for all subjects. Students are encouraged to solve previous years University Exam question papers. The institute regularly conducts workshop, technical talk, seminars and guest lectures. Poor performance due to frequent absenteeism is dealt by sending registered letters to the parents of such students. Monitoring the improvement in learning of slow learner and encouraging the advanced learners by reviewing their performance in exams. The institution is keen on monitoring the performance of the students and reports to the Parents. Progress Reports are sent by the tutors to the parents after each of the test. Parents Guardians are advised to note the performance of their wards and take remedial measure if needed. Whenever necessary, the tutor shall recommend the visit of the parent to the college for a discussion about the student. Impact These reforms have resulted in substantial improvement in student s performance through comprehension of difficult topics, improved time management, enhanced writing skills and individualized attention resulting in refining their cognitive, psychomotor and affective domains of learning. This has significantly enhanced the pass percentage and academic excellence of students.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institution ensures effective time management and timeliness. It receives the university given timeline and adheres to it. In the beginning of the academic year, academic calendar is published by the University for Respective Course. The college carries out effective planning to stick to academic Calendar. This allows the teachers and the students to space out their teaching and learning and regular assessment of the same. Examinations are conducted at the end of each semester by the affiliating University. College informs students about the university notices and circulars related to the examinations from time to time through student notice board, departmental notice boards, college website and also verbally by the faculty members of the department. All departments conduct internal assessment of students and students are well informed about these internal examinations well in advance by the department. For the academic session academic calendar was prepared and followed for conduct of examination and other activities.In any condition, the academic calendar is followed and respected by teachers of all departments.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The College creates a platform for the active participation of the students in the various academic and administrative bodies including other activities. This empowers the students in gaining leadership qualities, rules, regulations and execution skills. The process of election for framing student's council at collegial level started in year 2014-15. The institution has a well functional student council which takes care for augmentation of various infrastructural, academic and administrative activities for student benefit and welfare. The council organized a successful oath taking ceremony for various elected student representative of different committees. Various activity societies like library society, cultural activity society etc were form by student's council along with college management for smooth running of the tasks. Youth festival was organized in the institution by the student council and the college management in which various cultural activities were organized and the students were selected to represent the college at university level. The council actively participated in organizing and conducting collegial programs like tree plantation, Swachh Bharat Abhiyan, blood donation camp etc. In the blood donation camp organize by student's council, the staff and students donated blood for which they were given certificate. The student body is formed with the class representatives from every class. There are two representatives, one male and one female, who are elected or selected by the students of every class. The student body is headed by three key leaders. Viz: 1. Student Coordinator 2. Assistant Student Coordinator - Male 3. Assistant Student Coordinator - Female These three leaders are elected by all the Class Representatives (CRs) for one academic session. The student coordinator and assistant student coordinator are members of the disciplinary committee and the core committee of the association. Thus, they, on behalf of the whole student community take part in the decision making. BBIT Kolkata provides necessary support to the council members in organizing coordinating the events. It encourages the students to develop their leadership skills through these

activities. Student members in this council can become real heroes and competent managers in future by learning all these skills.

to clarify here that there are many type of students available in our colleges. All have different family background. Some students are those, who are very poor and their economic position is very pitiable. In such condition, it was a tough task to impart the special training of teaching practices. There was another part of teaching practices, the problem which was the in front of trainees. After finishing the class, they have to spend more time for special teaching practices. So, it was the matter of consideration. The coordinator and the members of the unit decided that we should provide transportation facilities to the trainees and refreshment items. It will provide them freshness and active. As a result, mostly trainees of the college agreed to take part in special class of teaching practices. It is very important to coordinator of this cell to check all the activities created by the trainees and supervised by the experts. It was also important to maintain the criteria of college administration, but ultimately we get success and trainees of our college, became satisfied with special teaching practices imparted by the team of experts.

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The Vision, Mission and Objectives of the institution clearly points towards a value based education based on the curriculum of the affiliating university combining it with the core values. Budge Budge Institute of Technology runs under the aegis of Jagannath Gupta Family Trust. The college has completed 7 years of existence in and has a strong bonding with the local people. This includes a number of minorities and marginalized section students. It lays special effort on maintaining a cordial relationship among the teachers, nonteaching staff, students and parents as well. Energy saving by use of LED lighting, Tobacco free campus, Minimum use or no use of plastic materials in the campus. Continuous and regular parent-teacher meet. Implementation of Semester system of examination in all courses, understanding of current environmental crisis and through its various schemes like energy conservation, waste management, rain water harvesting, plantation drives urges them to become eco friendly citizens. In keeping with our founder and the institution's vision of promoting the core values of justice, freedom, sincerity, truth and joy, BBIT has always given priority to the education of underprivileged women to empower them. The institution stresses on outreach programmes and inculcates in its students an awareness of the value of a holistic education and empathy for the less privileged sections of society. An active NSS and Social Service Cell organize outreach programmes for the student community. Through proper planning and strategies, the institution focuses at delivering to its best ability the vision of the college. The nation in general and the state in particular, is marred with the problem unemployment among educated youth. Therefore, the need for "Skill-based system of education" is becoming more vocal in present times. The college aims at creating a hatching ground for the students to develop their hobbies and achieve success in life. The two centres are steps towards facilitating the students with the required knowledge, experience and exposure to pursue their dreams with gainful employment. With the skills gained, the student becomes more determined and confident in facing the future.

## 8.Future Plans of Actions for Next Academic Year

Our Institution clearly points towards a value based education based on the curriculum of the affiliating university combining it with the core values. Budge Budge Institute of Technology runs under the aegis of Jagannath Gupta Family Trust. Since the Institution is stepping into pivotal 7th years of Excellence in Higher Education, the management is focusing on the Research activities of PG and Research Department by providing financial assistance. The focus is on skill development, career oriented programs, industry visit, industry - academia interaction and college have brought all these aspects under curriculum implementation and enrichment. Special attention is given to weak students especially belonging to SC/ST., OBC and minority groups. BBIT has always given priority to the education of underprivileged women to empower them. The Management has planned to provide financial support in the form of allowances, Cash awards and more training facilities to strengthen the Physical Education Department. With a view to promote more community services to the local activities, it is planned to launch Community Radio. Furthermore, the institution has plan of action for organizing International and National Conferences, Intercollegiate Cultural Events, Faculty Development Programmes, Workshop on Employability skills, Industrial Visit and Field Trips. More number of ADD ON and Inter Disciplinary Certificate Courses will be introduced on the basis of demand in the Job Market. The Virtual incubator of the college will be strengthened by providing some more financial assistance for nurturing budding entrepreneurs into viable Business Entrepreneurs is also in our Action Plan. The Placement and Career Guidance Cell will get focused on Corporate Tie-ups whereas the IQAC will initiate signing up MOUs with more MNCs during the academic year 2016-17. The two centres are steps towards facilitating the students with the required knowledge, experience and exposure to pursue their dreams with gainful employment.
