

Yearly Status Report - 2018-2019

Part A				
Data of the Institution				
1. Name of the Institution	BUDGE BUDGE INSTITUTE OF TECHNOLOGY			
Name of the head of the Institution	Dr. Avijit Kar			
Designation	Director			
Does the Institution function from own campus	Yes			
Phone no/Alternate Phone no.	033-24820676			
Mobile no.	9748493158			
Registered Email	director@bbit.edu.in			
Alternate Email	executivedirector@bbit.edu.in			
Address	Nischintapur, Budge Budge			
City/Town	KOLKATA			
State/UT	West Bengal			
Pincode	700137			

Affiliated / Constituent	Affiliated
Type of Institution	Co-education
Location	Urban
Financial Status	private
Name of the IQAC co-ordinator/Director	Prof. (Dr.) S.K. Brahma
Phone no/Alternate Phone no.	03324820676
Mobile no.	9831222519
Registered Email	iqac@bbit.edu.in
Alternate Email	agm.admin@bbit.edu.in
3. Website Address	

Web-link of the AQAR: (Previous Academic Year)	https://www.bbit.edu.in/download-file
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	https://bbit.edu.in/downloads/academic_ calender-2018.pdf

5. Accrediation Details

Cycle	Grade			dity	
			Accrediation	Period From	Period To
1	B+	2.56	2016	16-Sep-2016	15-Sep-2021

6. Date of Establishment of IQAC

01-Sep-2016

7. Internal Quality Assurance System

Quality initiatives by IQAC during the year for promoting quality culture				
Item /Title of the quality initiative by Date & Duration Number of participants/ beneficiaries				
Participated to NIRF and All India Survey on Higher Education (AISHE) - Online Submission	20-Feb-2018 0	0		

Academic Audit has been done following university guideline in their prescribed format	29-Oct-2018 2					10
Preparation of students' database for even semester 2019 and analyzing the department- wise category distribution	27-Sep-2018 2				5	
Scrutiny and forwarding the applications for promotion under career advancement scheme of full time teachers to the competent authority	13-Aug-2019 3			10		
Scrutiny and forwarding the applications for promotion under career advancement scheme of full time teachers to the competent authority	06-Jun-2019 2				10

9. Whether composition of IQAC as NAAC guidelines:	per lat	test	Yes			
Upload latest notification of formation o	of IQAC		View	File		
10. Number of IQAC meetings held year :	l during	y the	4			

The minutes of IQAC meeting and compliances to the decisions have been uploaded on the institutional website	Yes
Upload the minutes of meeting and action taken report	<u>View File</u>
11. Whether IQAC received funding from any of the funding agency to support its activities during the year?	Νο

12. Significant contributions made by IQAC during the current year(maximum five bullets)

i. Improved the Graduation Results AND Enhanced employability by implementing personality development programs, value added certificate courses and preplacement training program for the students, more avenues for students to engage in community services AND Sensitizing students to ecological and environmental issues.

ii. Maintenance of Eco Friendly and Green Campus . Blood Donation Camp organised

iii. Conduction of remedial coaching for slow learning students to enhance their learning capability. Special focus on communication skills and soft skills of students to enhance their learning capability

iv. Conducted several meetings with faculties to prepare research proposals to be submitted to external funding agencies.

v. Encourage the college library to procure good quality books, journals etc.

No Files Uploaded !!!

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
To encourage the students to open student chapters of professional institutions	Department of EE and ECE have opened up student chapters at "Institute of Engineers".
To encourage the departments to conduct in house FDPs.	One 4-days long in house faculty development program (FDP) has been conducted.
To encourage the students to participate in the college, university, state and national level sports and games events.	Students have participated in the college, level sports and games events.
To encourage the departments to write research proposals.	Several departments have submitted their research proposals
To encourage the faculty members to	Several faculty members participated in

participate in seminar, workshops and faculty development programs.	seminar, workshops and faculty development programs		
To encourage the students to deliver good quality seminar presentations by introducing prizes.	Students from all the departments delivered their seminar presentations and prizes have been given to the winners.		
To encourage all the departments to conduct workshops/seminars.	ECE and EE department conducted a seminar on "Indian Telecom Scenario and challenges ahead".		
No Files	Uploaded !!!		
4. Whether AQAR was placed before statutory body ?	Yes		
Name of Statutory Body	Meeting Date		
MANAGEMENT OF BUDGE BUDGE INSTITUTE OF TECHNOLOGY	03-Sep-2018		
15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No		
6. Whether institutional data submitted to	Yes		
ear of Submission	2019		
Date of Submission	20-Dec-2019		
7. Does the Institution have Management nformation System ?	Yes		
f yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	Yes, the Institute is well equipped with an information system which takes care of various activities like admission, attendance, office management, accounts and student grievance redressal. Here IT resources are currently provided to all bonafide students of the college as well as teaching faculty and supporting staff. The College seeks to ensure the integrity of IT resources made available to the community to prevent disruption to academic and administrative requirements. The college has a LAN through which students, teachers and supporting staf can access the current data base of students, their academic performance a also other academic query. The current ERP Module takes care of all the		

activities which have been mentioned below. 1. Admission - Institute MIS admission modules helps in admission process of all UG and PG students of the institute are required to complete the admission formality by filling up online admission forms writing all the academic and other information on this forms. The module helps in collecting the information of this academic admissions program wise and also helps in making merit list as per the institute norms. 2. Examinations - This module takes care of the exam activities in the form of appointment of examiners, collection of the question papers, collection and compilation of continuous evaluation marks, end semester marks and declaration of results using CGPA system. 3. Administration - The day to day data related to attendance of regular and temporary faculty is part of this module which also helps in monthly salary payment of all employee of the institute. 4. Time Table -Preparation and displaying of academic calendar as well as the timetable. 5. Attendance - Institute have a student attendance module which helps in recording online attendance of all lectures and practical's conducted for UG and all PG programmes. This module determines the list of list who does not qualify minimum attendance requirement of the institute. 6. Fees Payment - Students through this module can pay their annual tuition fee, exam fee and other fees using online mode. 7. Accounts and Finance - Institutes accounts and finance is run with all its functions using accounts and finance modules.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Budge Budge Institute of Technology (BBIT) has a transparent mechanism that ensures effective curriculum delivery through a well-planned and documented process. The departments endeavour effective curriculum delivery through a combination of time-tested and innovative methods in the Institute. The teaching plans consist of comprehensive allotment of the syllabus among all the faculties of a particular department. Our Faculty members take utmost care to complete the syllabus in time and students are encouraged to meet faculty beyond classroom hours for doubt-clearing and curricular discussions. Delivery of curriculum is regularly monitored and necessary course corrections are also

initiated by the respective authorities. The key to the effective implementation of the Institute - prescribed curriculum is efficient planning. Each department strives to ensure that there is efficient curriculum delivery and teachers are encouraged to use innovative teaching learning methods to achieve this goal. The college administration supports the departments in this process in every possible way. The time table and faculty load is maintained strictly and actively. Value addition activities are also included in the time table to benefit the students in their career opportunities.Time table is also communicated to all students by posting it on the Notice Boards / ERP etc. The department also plan for the industry visit, guest lectures, workshop, seminars and conferences.The range and scope of the courses in each programme assure that the students achieve academic excellence in the respective discipline. The teaching plans consist of detailed allotment of the syllabus among all the faculty members of a particular department. The assigning is done democratically through discussion and deliberations among faculty members in

departmental meetings. Faculty members take utmost care to complete the syllabus in time. Tutorials/projects, class tests and internal assessments comprise the formal evaluative processes, but students are encouraged to meet

faculty beyond classroom hours for doubt-clearing and curricular discussions.Extra hours are devoted to taking remedial classes after completion of internal examinations to strengthen student's preparedness before examinations. Special lectures delivered by eminent scholars on topics related to the curriculum further intensify students' learning experience. The Institution deliberates support for teaching, learning and assessment at Budge Budge Institute of Technology (BBIT), we provide seminars and workshops on teaching, learning and assessment, workshops on teaching. Students are also given the opportunity to attend seminars organised by other institutes in order to give new boundaries to their knowledge.

.4 – Feedback System						
I.4.1 – Whether structured feedback re	ceived from all the	stakeholders.				
Students			Yes			
Teachers		Yes				
Employers			Yes			
Alumni			Yes			
Parents			Yes			
I.4.2 – How the feedback obtained is b maximum 500 words)	eing analyzed and	utilized for overall o	development of the institution?			
Feedback Obtained						
Budge Budge Institute of Te aspects and courses from St Institution established Aca academic excellence at stud by Academic Cell from the f in every semester, utilizat enrichment. Budge Budge Ins	tudents, Alumn ademic Cell in dent and facul following: stu tion of infras	i, Faculty me order to ens ty levels. Pe dent performa tructure and	mbers and Staffs etc. ure and analyse the riodical analysis is made nce, faculty performance requirements for quality			

Budge Budge Institute of Technology (BBIT) collects the feedback on curriculum aspects and courses from Students, Alumni, Faculty members and Staffs etc. Institution established Academic Cell in order to ensure and analyse the academic excellence at student and faculty levels. Periodical analysis is made by Academic Cell from the following: student performance, faculty performance in every semester, utilization of infrastructure and requirements for quality enrichment. Budge Budge Institute of Technology (BBIT) thoroughly reviews the curriculum for every academic year. Institute collects the feedback physically from Students, Parents and Teachers on Curriculum. Receiving feedback from students about teaching helps us to identify and meet the needs of our students. It also assists in improving and further developing the teaching aspect. Students can provide feedback on everyday teaching experiences. It allows to make adjustments needed by students in the class before the end of the semester and will foster a feeling among the students that you care about the teaching. A set of open-ended questions allows students to elaborate on their numeric ratings and provides instructors with more in-depth feedback. Students play a critical part in the evaluation, development and enhancement of the quality of this learning experience. Besides providing students with an opportunity to comment on the quality of the teaching and learning environment at Budge Budge Institute of Technology (BBIT), Feedback ensures that lecturers and Boards of Studies are made aware of problems perceived or encountered by students, and provides an opportunity for the conduct of self-evaluation and revision, where necessary. The main objective is to provide students with the opportunity to comment on the quality of their learning experiences, as required in preparation for and as part of review processes, to assess the success of academic provision in relation to the expectations of students and to provide feedback to lecturers and Boards of Studies in order to improve delivery and/or content of the study-unit and/or programme. The results of the student feedback processes, as well as the recommendations and the action taken on the basis of such recommendations are important considerations for the Programme Review which each Department is required to undertake.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Budge Budge Institute of Technology follows the guidelines of Maulana Abul Kalam Azad University of Technology (MAKAUT) for internal evaluation and assessment procedure. For Undergraduate Programs, the institute conducts internal examination comprising of 25 marks. On the allocated marks, five marks is designated to MCQ, five marks for a short answer and one 15 marks long answer. End semester examination is of 70 marks which are conducted by the University. Also, five marks are allocated for the attendance of each student. For Post-Graduate Programs, the institute conducts internal examination of 25 marks as per the university norms. After completion of the internal examination, the faculty evaluates the answer scripts and distribute to the students for doubt clarifications or re-correction. The faculty submits the recorrected scripts to the examination branch and marks are displayed on the notice board. Then the principal conducts a meeting with HODs to discuss the students performance and necessary action plan for further improvement. Reforms in the Evaluation Process: • Awareness of evaluation and assessment system in orientation program • Conducting tutorial classes to clarify doubts and reexplaining the critical topics. • Regular unit tests, Surprise test Quiz are conducted prior to mid examinations • Industrial visits are arranged for the students and students submit the visit report which is also evaluated Students' performance is also evaluated based on the following parameters: communication skills, use of modern tools (NPTEL, M-Tutor, V-labs), critical thinking skills, problem-solving skills, ability to work in teams, and leadership qualities.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institution is affiliated to AICTE and is under MAKAUT. The institution has been accredited by NAAC as well as NBA. Examinations are conducted at the end of each semester by the affiliating University. College informs students about the university notices and circulars related to the examinations from time to time through student notice board, departmental notice boards, college website and also verbally by the faculty members of the department. All departments conduct internal assessment of students and students are well informed about these internal examinations well in advance by the department. Internal assessment dates are also provided by the college in the proposed academic calendar prepared at the beginning of each academic session, which is uploaded in the college website. Every year we prepare the academic calendar for the institute and also a department wise activity schedule for smooth functioning. This ensures that the curriculum is enriched through related activities like gust lecture, extension series and industry interaction. For the academic session academic calendar was prepared and followed for conduct of examination and other activities. The Academic Calendar is prepared by the Dean of the Institution in consultation withy the HoDs of the respective departments. • In the beginning of the academic session the students are apprised of academic calendar and same is uploaded on college website and displayed on notice boards and at strategic locations. • Only head of the institution can incorporate minor changes in academic calendar which he may deem fit considering the unforeseen circumstances. • The Schedule of All

Examinations is given in academic calendar. • Assignments are submitted by students as per the dates given in academic Calendar

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

https://bbit.edu.in/pages/b-tech-po-peo-pso

2.6.2 - Pass percentage of students

Programme Code	Programme Name	Programme Specialization	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage							
016	BTech	EE	55	41	74.54							
013	BTech	CE	119	58	48.73

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

The college ensure the availability of latest equipments and up-to-date infrastructure in the institution. There is a systematic procedure for the purchase as well as maintenance of these infrastructural facilities including all sorts of equipments. College has well established system procedure for maintenance and utilization of available supporting facilities. All the HOD's of the science departments are responsible to maintain their respective departments with the help of other members in the departments. Suitable budget is allocated every year for the maintenance of various facilities. The various committees meet regularly to monitor the optimum use of infrastructure which is accessible to the students and staff of the college. The college ensures optimal allocation and utilization of the available financial resources for maintenance and upkeep of different facilities like - laboratory, library, sports complex, computers, classrooms etc. The college boasts of well-equipped Electronics and Electrical Engineering Labs, Mechanical Engineering Labs, Civil Engineering Labs and Computer Science Engineering Labs to strengthen the technical knowledge of the students. The Technical Assistants maintain records of the Laboratory which is supervised by HoDs of the concerned departments. The calibration, repairing and maintenance of sophisticated Laboratory Equipments are done by the Technical Assistants. Most of the lectures take place in classrooms with projector, microphone and speakers. This is to ensure usage of new audiovisual pedagogical techniques during the teaching process. The college

has a Technical Assistant and Lab Assistants and Lab Attendants to ensure proper upkeep of the various labs including computer center. There are various committees in the college which are dedicated to the maintenance and upkeep of the infrastructure Library is innovatively computerized it is well equipped with barcode printers and Xerox Machines. The library is fully digitized and is open even after class hours. It has computer terminals with internet facility and large reading spaces. A regular update on new additions is provided by the library. An eco-friendly environment is of prime importance in the college. Librarian is responsible for the maintenance of the library building. Regular maintenance of library is been preserved effectively for the students. The Library department efficiently follows Library management system which helps in maintaining data of books issued to learners and books are available in the library as per the requirement of syllabus for the betterment of the students. The Sports department is very active and encourages students to participate in various sports activities, along with training and coordinating various sports in the college. The outdoor ground is maintained and utilized for track and field events. The Indoor hall is utilized for indoor games. The Gym is well equipped with multi set gymnasium station, for men and women. A centralised computer laboratory has been established in the institute to enrich the students knowledge. ERP software has recently been initiated to maintain the details of all the Faculty Members along with the students.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The process of election for framing student's council at collegial level started in year 2014-15. The institution has a well functional student council which takes care for augmentation of various infrastructural, academic and administrative activities for student benefit and welfare. The council organized a successful oath taking ceremony for various elected student representative of different committees. It endeavours to take advantage of every opportunity to create and sustain an environment that nurtures life in its fullness, for every member of its community and set it on the path of excellence. Various activity societies like library society, cultural activity society etc were form by student's council along with college management for smooth running of the tasks. Youth festival was organized in the institution by the student council and the college management in which various cultural activities were organized and the students were selected to represent the college at university level. The student's council took initiative and have been successfully running the science council of the institution. The council actively participated in organizing and conducting programmes SVEEP and other collegial programs like tree plantation, cleaning of college premises, Swachh Bharat Abhiyan, blood donation camp etc. In the blood donation camp organize by student's council, the staff and students donated blood for which they were given certificate. The student's council have also successfully conducted seminars and workshops for girls' safety, women helpline and eve teasing for safety of the college girls. This association includes the representative body of students along with members from management, administration, faculty members and staff members. The student body is formed with the class representatives from every class. There are two representatives, one male and one female, who are elected or selected by the students of every class. The student body is headed by three key leaders. Viz: 1. Student Coordinator 2. Assistant Student Coordinator - Male 3. Assistant Student Coordinator - Female These three leaders are elected by all the Class Representatives (CRs) for one academic session. The student coordinator and assistant student coordinator are members of the disciplinary committee and the core committee of the association. Thus, they, on behalf of the whole student community take part in the decision making. BBIT Kolkata provides necessary support to the council members in organizing coordinating the events. It encourages the students to develop their leadership skills through these activities. Student members in this council can become real heroes and competent managers in future by learning all these skills.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

We have presently more than 500 Alumni enrolled in BBIT Alumni Association from B.Tech, Diploma and MBA courses. We conduct yearly Alumni get together, which witnesses a huge participation of Alumni's. Generally, Alumni Meet is organised once a year. Our current batch of students and faculty come together to organises a huge welcome and interaction session for BBIT Alumni's. As a part of welcome ceremony various societies of BBIT present their programmes in the form of dance, drama, discussion and portray how new students have taken up the responsibility to become the face of the college. After the welcome ceremony, the college management and director interact with Alumni. Then some of the Alumni shares their success stories and discuss about the measures required to take BBIT to greater heights. All faculty members participate in the gathering to appreciate the progress and success of their students in the 21st century world and feel proud of the various positions achieved by their students in reputed organisations. Finally, a sumptuous lunch is organized for Management, faculty, Alumni and students.

5.4.2 - No. of enrolled Alumni:

508

5.4.3 - Alumni contribution during the year (in Rupees) :

0

5.4.4 – Meetings/activities organized by Alumni Association :

Interactive session with students, Guest Lecture, Placement workshop, Alumni meet. Alumni have been engaged for availing their expertise, for mentoring, fundraising, for career support to current students. A number of sessions have been organized in this regard. The alumni association will be conducting events along with other Committees and Departments in which the alumni would be engaged as experts to utilize their expertise and rich experiences for the benefit and progress of the present students.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Institution practices Decentralization and Participative Management. The success of an institution is the result of the combined efforts of all who work towards attaining the vision of the institution. Right from the President of the Management Committee to the staff and students, all the stakeholders have a role to play in building of the college. Their involvement and cooperation in devising and implementing decision making policies for academic and administrative affairs through various bodies and committees have contributed to the growth of the college. Institution focuses keen on decentralization by intending equal opportunity (equal role to participate is the functioning of the Institution management comprises of management committee, college governing council and each committee has been provided with specific functions cater to the needs of institution for the ongoing progress and development of the Institution. Management committee takes case of infrastructure facilities which fulfil the quality and the required needs of the higher education bodies to reach the set goals or bench -marks of the Institution. It also extends all the amenities for the teaching and nonteaching faculty and students. College Governing Council takes care of financial management and the implementation of facilities for the institution with the cries to upgrade the standard of amenities which supports effectively the teaching learning and research

aspects. It guides and articulates the available resources and provides freehand to the head of the Institution to carry out the activities in order to reach the expected maximum standard in turn to motivate the teaching and non teaching faculty to work according to the goal set. Teacher guardian committee is available in college taking care of students from first year of student's admission. The Principal, Heads of the departments, teaching and non teaching faculty along with student union members, class student representatives together concentrate on fostering the progress of institution by sharing the responsibilities and participate growth of institution and to act according to the aims and objectives of the Institution.

6.1.2 - Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details		
Curriculum Development	The Institute benchmarks its courses with the best business schools in the country and abroad. Core curriculum is revised once every year based on the changing requirements of industry and feedback generated from industry practitioners, recruiters and alumni. Each faculty member offering a core/elective course compulsorily engages with an industry practitioner (ideally a recruiter) who is an integral part of classroom delivery and advises on course content, sequencing of topics and assessments. This ensures that each course is up to date and fulfils the future employment requirement of students.		
Teaching and Learning	As part of the efforts to streamline the teaching learning process at BBIT we have initiated Thursday Academic Meetings. Every Thursday, all the faculty members assemble and discuss different aspects of the teaching learning process, starting from curriculum to pedagogy, best practices, latest trends in knowledge and industry. Each course module plan is presented discussed thread bare in the meetings on a pre-decided template, covering seven different aspects of course content, delivery assessment. All course module reviews are presented to the faculty body and the results analysed discussed to check the assurance of learning.		
Examination and Evaluation	Each course outline lays down the assessment components for the respective course and marks allocated to each component. Usually assessment		

	<pre>components are in line with the number of credits allocated to the paper a 3 credit paper has 3 different forms of assessment, and a 2 credit paper has 2. The different forms of assessments includes, assignments, project work, problem sets, quizzes, class tests, group activities and presentations, role plays and end term examinations. The grading pattern for each course, an assessment rubric is also incorporated in the course outline to allow a student understand how she/he needs to prepare for each test.</pre>			
Research and Development	The Research Cell holds regular meetings and programmes and presentations to broaden the academic perspectives through presentations of research done by students and faculty			
Library, ICT and Physical Infrastructure / Instrumentation	Computers were purchased to replace older versions. A conference room was created and furnished and an air conditioner installed therein. New water coolers were introduced for students, and a toilet for persons with disability was also constructed. Separate internet connection in the library to access the e- resources.			
Human Resource Management	Self-appraisal of the teachers through maintenance of Academic Diary. Maintenance of Grievance Redressal Cell, Anti-Ragging Committee, Sexual Harassment Committee.			
Industry Interaction / Collaboration	Industry experts are invited on a regular basis to give talks and share their expertise. Various departments of the Institute organize Professional Internships, Industrial Visits to give students experiential learning. Alumni of the Institute are well placed in the industry various departments organize talks and guidance sessions of alumni on a regular basis. These sessions are extremely helpful for the existing students for their professional development.			
Admission of Students	Admission Cell adheres to a stringent entrance process with various user- friendly options like making admit card available online and sending message alerts. The admission data was analysed, and feedback was provided to the promotion team, which led to an increase in the number of applicants.			

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	All faculty rooms are equipped with desktop computers, furniture, pin boards etc. Besides this WiFi connectivity is also available free of cost throughout the campus. All Class rooms are equipped with LCD Projection Systems, USB ports for Laptop connectivity, Wireless Audio systems and Green boards. These facilities enhance lecture delivery and effective communication.
Administration	The college authorities can exercise full supervision of all service module in the office through the MIS software The college is connected through high speed internet of bandwidth 100 MBPS.Fully automated, wireless office with 24x7 internet facility. The college have Biometric attendance for teaching and non-teaching staff. The college campus id equipped with CCTV Cameras at very place of need.
Finance and Accounts	The accounts of the institution are maintained through the Tally software for or proper functioning of Finance and Accounts department of the college The college conducts regular audit of annual books of accounts. The account department keeps the all financial records.The account department maintains the Books of Accounts properly which helps in auditing procedure.
Student Admission and Support	Student Admission are followed as per University (MAKAUT) Admission process is mission significant for Budge Budge Institute of Technology. It is execute professionally so that the satisfaction level of prospective student's increases and it also helps in enhancing the quality of the student along with the branding of the institute.
Examination	Marks submission will have to be done through online portal of the universit

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Water Conservation and Management, Rain water harvesting structures and utilization in the campus, Usage of plastics bags strictly banned in the campus. Kitchen and plant waste are decomposed in compost pit. Providing green environment by cultivating organic vegetables and herbs. Recycle of waste papers by paper Mache art. Usage of Jute bags

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Transparency in Internal Assessment Evaluation Process. Scholarship initiatives for more beneficiaries.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

https://www.flickr.com/photos/bbitpict/albums/72157698443728940

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The institution is keenly interested on women empowerment by educating economically underprivileged students for the upliftment of the society. Hence the priority is given to the educationally and economically deprived students in admission. Further more Dyslexic students are admitted and special care is given for them. During University Examination, they are given extra time and if necessary scribes are also arranged. The Management has appointed visually challenged staff in the department of languages. The scholarship Committee enable the deserving students from both Central and State Government. Besides, the Institution provides scholarship for the meritorious students. The Vision, Mission and Objectives of the institution clearly points towards a value based education based on the curriculum of the affiliating university combining it with the core values. Budge Budge Institute of Technology runs under the aegis of Jagannath Gupta Family Trust. The college has completed 10 years of existence in and has a strong bonding with the local people. This includes a number of minorities and marginalized section students. The college successfully implemented the semester system. The focus is on skill development, career oriented programs, industry visit, industry - academia interaction and college have brought all these aspects under curriculum implementation and enrichment. Special attention is given to weak students especially belonging to SC/ST., OBC and minority groups. The students of Budge Budge Institute of Technology are not only guided to achieve excellence in the education but are thoroughly equipped with the knowledge of social perseverance and environmental sustainability. It lays special effort on students understanding of current environmental crisis and through its various schemes like energy conservation, waste management, rain water harvesting, plantation drives urges them to become eco friendly citizens. In keeping with our founder and the institution's vision of promoting the core values of justice, freedom, sincerity, truth and joy, BBIT has always given priority to the education of underprivileged women to empower them. The institution stresses on outreach programmes and inculcates in its students an awareness of the value of a holistic education and empathy for the less privileged sections of society. An active NSS and Social Service Cell organize outreach programmes for the student community. Through proper planning and strategies, the institution focuses at delivering to its best ability the vision of the college. The nation in general and the state in particular, is marred with the problem unemployment among educated youth. Therefore, the need for "Skill-based system of education" is becoming more vocal in present times. The college aims at creating a hatching ground for the students to develop their hobbies and achieve success in life. The two centres are steps towards facilitating the students with the required knowledge, experience and exposure to pursue their dreams with gainful employment. With the skills gained, the student becomes more determined and confident in facing the future. Institute's Web-Link: https://www.bbit.edu.in/

8. Future Plans of Actions for Next Academic Year

Shaping the Future of Budge Budge Institute of Technology will always be a primarily aiming at scaling the intellectual environment of the institute, keeping in mind the high level of stress among youth, new activities would be planned for the mental well-being of the youth. This includes aiming at inducting a better quality of students, faculty and intellectual output. BBIT Kolkata possesses certain faculty resources who are dedicated to the field of business research. The institution strongly believes that academic research can strongly contribute to corporate decision making and has a well developed research plan for the upcoming year. Continuing with the tradition of striving for excellence, the Academic Calendar would be prepared, as per the Academic Calendar of the Affiliating University with additional activity. We are planning to conduct a large number of pre-placement activities for the final year students of various courses, so as to help them optimally utilise the benefits of placement opportunities. Rigorous academic research strengthens the input given to the management students at the business school, as also, ushers in a culture of critical thinking, creativity and fosters an inspirational learning environment. The institution plans to host a set of international conferences in the upcoming year. The objective of these research based forums will be to serve as interdisciplinary and multi-disciplinary avenues for exchange of business ideas, best research practices and research outcomes, for the benefit of the corporate professionals, industry practitioners, academicians and researchers at large. Research workshops and special sessions are also being organised with the intention of familiarising individuals with the latest developments pertaining to research methods, technological evolution and research paper writing, thereby aiming at increasing the intellectual output of the institution. The plan of action for the said academic year would be in sync with NAAC guidelines. • To ensure fair access to and affordability of academic programmes for various sections of society • To enhance outreach programmes for the members of the backward community • To enhance the number of smart class rooms in the academic departments • To provide infrastructure comparable to international standards • To introduce fully e-based system for different administrative processes like, admission, result publication, etc. • To strengthen the liaison among the stakeholders like, students, teachers, parents, employers etc. • To prepare and publish yearly academic calendar before the beginning of the academic year • To ensure 100 utilization of lecture timings • To make the subjects more interesting • To address student grievances • To enhance collaborative research among the departments and to take initiative for inter-institutional collaboration • To conduct greater numbers of seminars and workshops of National and International importance at our campus • To arrange special programs for teaching/non-teaching staff • To strengthen industry linkages • To strengthen alumni participation
